Notice of Unmet Deductible Due

Notice of Unmet Deductible Due at Time of Service

We require all surgical patients with unmet deductibles to pay their remaining deductible up to \$400 at the time of service. For your convenience, we accept cash, check, Master Card, Visa, Discover, and American Express. Please have your payment on the date of service or we will require you to reschedule your appointment. Any remaining deductible will be billed to the patient/guarantor once insurance settles your claim.

Patient Financial Policy

This office has contracts with Medicare and many other health insurance plans. Please check with our reception staff to determine whether your plan is one of these.

You are expected to present your insurance card at each visit. If we have a contract with your plan, we will file a claim with your insurance company. **All copays, deductibles, coinsurance percentages or fees for non-covered services are required at the time of service.** Any past due balances are also due and payable at the time of service.

If your insurance has designated a primary care physician (PCP), **you are required to have prior authorization from your PCP prior to your office visit.** If this authorization is not provided, you will be asked to either reschedule your appointment or pay for your visit at the time of service.

Payment is required at the time of service for all **SELF-PAY ACCOUNTS.** Self-pay accounts include:

- 1) Patients without an insurance card on file;
- 2) Patients who are covered by carriers (i.e. insurance companies) with which Premier Dermatologic Surgery, P.A. does not participate; or
- 3) Patients who have not met their deductible.

If at any time you are concerned about the cost of a procedure proposed by the provider, you may ask for someone from the business office who will be happy to discuss the cost with you.

For your convenience, this office accepts Master Card, Visa, Discover, and American Express, in addition to cash and checks. **All balances must be paid in full when billed.** It is the policy of the practice not to accept checks marked "Paid in Full", as statements do not reflect charges pending with insurance companies.

For Cosmetic or Self Pay Procedures: 50% is due when the procedure is scheduled and the balance is due at the time of service. Cancellations made within three business days of scheduled service are subject to forfeiture of the deposit.

Please note that even if a procedure is medically necessary and "covered" by a given insurance, **there may be deductibles or coinsurance amounts that are your responsibility and required at the time of service.**

If you do not pay your account balance in full, when due, you may be sent to the credit bureau for collection. All collection fees and court costs will be added to your balance due.

If a patient is due a refund, the practice will issue a check once the following criteria are met: You have not been seen in the office for 30 days; there are no outstanding insurance claims on your account; there are no outstanding patient balances on your account.

It is our hope that the above financial policy will serve as notification to you, our patient, of your responsibilities in order for us to provide you the best quality of care. **If you have any questions or need clarification of any of the above policies, please do not hesitate to contact our business office at (913) 327-1117 or speak to a staff member.**

I certify that I have read the financial policy of Premier Dermatologic Surgery, P.A., and agree to abide by the policy.
